(a) DPSS Approved Caseload. CalWORKs recipients are automatically eligible for Medi-Cal and are not counted here.

(b) These are unduplicated counts of cases and persons that received aid in the month. A family aided in more than one category is counted only once. There is one exception: A few thousand families receive both Medi-Cal and Food Stamps under separate case numbers.

(a) This category includes families that have two aided, GAIN Sanctioned or time-limited, non-disabled parents with at least one child in common.

(b) All parents/adults in these families are excluded or ineligible to aid for reasons other than GAIN sanction or time limits.

(c) This category includes all other families not included in the first two.

(a) Applications received in one month often have their final status determined in the following month. Consequently, there is no direct relationship between the number of applications received in the month and the number processed in the same month.

(b) Of the 41,382 applications processed during the month, 39,876 were regular and 1,506 were DAPD (Disability and Adult Programs Division). Also included are denied CalWORKs applications that are reevaluated for MAO.

(c) DAPD processing time includes delays caused by the State.

NOTE: 1. The increase in the caseload beginning March 1999 was a result of the Section 1931(b) Medi-Cal Program. DPSS converted Edwards Medi-Cal, Transitional Medi-Cal (TMC) and Four-Month Continuing Medi-Cal (CMC) recipients into regular Medi-Cal status. It also established the automatic conversion of most terminated CalWORKs cases into regular Medi-Cal cases.

2. The drop in June 2000 was a result of the termination of about 35,000 Section 1931(b) MAO family cases not responding to redetermination notices.

3. Effective July 2000, the data includes actual counts from LEADER districts. Data from May 1999 to June 2000 includes estimated LEADER counts.

*In-Home Supportive Services

Unemployment Rate - Los Angeles County

January 1995 to July 2004

NOTE: 1. The January 1994 unemployment rate increase was largely due to a change in EDD labor market data collection procedures.
2. Data is not seasonally adjusted.

Glossary

Department of Public Social Services (DPSS) administers programs that provide services to individuals and families in need. These programs are designed to both alleviate hardship and promote family health, personal responsibility, and economic independence. Most DPSS programs are mandated by federal and State laws.

California Work Opportunity and Responsibility to Kids (CalWORKs) provides temporary financial assistance and employment-focused services to families with minor children who may or may not have income, and their property limit is below State maximum limits for their family size. In addition, the family must meet one of the following deprivations:

- Either parent is deceased;
- Either parent is physically or mentally incapacitated;
- The principal wage earner is unemployed; and
- Either parent is absent from the home in which the child is living.

Types of Assistance Units include:

- Two Parent Families - include two non-disabled or unemployed, natural or adoptive parents of the same aided or SSI/SSP minor child (living in the home), unless both parents are minors and neither is the head-of-household.
- Zero Parent Families - are those in which the parent(s) or caretaker(s) are excluded from or ineligible for aid.
- All Other Families - are those that have not been identified as either a two parent or a zero parent family.

Cash Assistance Program to Immigrants (CAPI) provides cash to certain aged, blind, and disabled legal non-citizens ineligible to Supplemental Security Income/State Supplemental Payment (SSI/SSP) due to their immigration status. CAPI participants may be eligible for Medi-Cal, In-Home Supportive Services (IHSS), and/or Food Stamp benefits. Individuals requesting such benefits must file the appropriate application for the other program.

Food Stamps help eligible low-income families and individuals meet their basic nutritional needs by increasing their food purchasing power. Individuals residing in room and board arrangements, homeless individuals in shelters, and temporary residents of a shelter for battered women and children, may also be eligible to receive Food Stamps.

General Relief (GR) is a County-funded program that provides cash aid to indigent adults who are ineligible for federal or State programs.

In-Home Supportive Services (IHSS) enables low-income aged, blind and disabled individuals to remain safely at home by paying caregivers to provide personal care and domestic services.

LEADER is the Los Angeles Eligibility, Automated Determination, Evaluation and Reporting System.

Medical Assistance Only (MAO) provides comprehensive medical benefits to low-income families with children, pregnant women, and adults who are over 65, blind, or disabled. Depending on their income and resource levels, individuals and families may be eligible for a no-cost or a share-of-cost Medi-Cal program. CalWORKs families receive no-cost Medi-Cal.

Refugee Resettlement Program (RRP) is made up of many program partners at the federal, state, county, and community levels. Typically, refugees are eligible for the same assistance programs as citizens including CalWORKs, Food Stamps, Medi-Cal, SSI/SSP, and General Relief. In addition, single adults or couples without children who are not eligible for other welfare assistance may receive Refugee Cash Assistance (RCA). Vital to the success of the California Refugee Program are the contributions made by Mutual Assistance Associations, and Community Based Organizations (CBOs) that provide culturally and linguistically appropriate services.
